

Local Girl Wins Jarvis Scholarship

Jarvis recently announced that this year's winner of their Centenary Scholarship is Nicola Benstead, a 20 year old student from Harpenden. The annual scholarship started in 2006 in celebration of 100 years of the Jarvis Group. It is available to the highest achieving student registering on an undergraduate course at the University of Hertfordshire and who lives in the AL5 postcode. With a value of £2,000 a year for the duration of the course, this provides a fantastic opportunity for anyone living in the designated area wishing to study at the University.

Nicola, who lives in Batford, is currently studying for a BSc Biosciences degree. When informed of the decision she was 'overwhelmed'.

Jeffrey Hollis, Director of Marketing for Jarvis, pictured with Nicola, said:

"We are delighted to give Nicola our second scholarship award continuing our close association with the University which has been established over many years."

Last year's recipient Lee Whittington, a former student of Roundwood Park School, is studying for a degree in Humanities and is progressing well.

For more information on the Jarvis Scholarship call Joanne Wearne, Development and Alumni Officer for the University on 01707 281273 or visit their website at www.herts.ac.uk or visit the Jarvis website at www.jarvisgrouppltd.co.uk.

Ends

Jarvis Group of Harpenden has a turnover of £65million and is a building, developing, M&E and property maintenance organisation.
